As a student of Griffin Technical College, I do agree to be liable for all tuition, fees, and/or other monies paid directly to me or on my behalf should my financial aid source fail to provide adequate funds or I am deemed ineligible for financial aid by the local, state, or federal guidelines.

I understand that I cannot receive financial aid for any class which is not a part of my current major. If I am a Pell recipient and I withdraw or stop attending classes during a quarter, I acknowledge that my Pell award will be reduced accordingly, and I agree to be responsible for any outstanding debts which may occur as a result.

I am fully aware that I am legally responsible for all debts incurred as a student at Griffin Technical College if, **for any reason**, my tuition and fees are not covered by financial aid.
